Council District 6

Address: Churchtown Road, Middletown, DE 19709

Country Club Estates LLC requests a recommendation from the Committee to the Department of Land Use and the Board of Adjustment for a Resource Protection Standards variance from the provisions of Table 40.10.010 of the Unified Development Code in order to disturb 199.80-acres (69%) of the Class C Wellhead WRPA (50% Resource Protection Level) in order to construct a residential community with 320 single family lots and 1 apartment lot, for a total of 534 dwelling units. Relief is required to facilitate the conversion of the open space areas within the proposed community from row crops (existing condition) to grass for open space areas and infiltration (proposed condition) to mitigate impervious cover, which is proposed to remain below the 20% allowable, in the developed areas.
