

Open Space Advisory Board Agenda

March 9, 2022

1. Short- and long-term goals and responsibilities for board in 2023
2. Role of OSAB on project review and approval responsibilities
3. Limitations and challenges the county faces on implementation (including limited funding, staff, etc)
4. Sample Review of project criteria on three projects
5. Discussion: structuring the program, including partnership approaches
6. Set quarterly board meetings for 2023

Meeting will be held virtually.
