

Open Space Advisory Board Agenda

May 17, 2022

1:00 PM

1. Comprehensive Plan follow up on OSAB comments.
 - a. Land Use presentation/discussion on the changes that were made to the comp plan by the board.
 - b. Discussion
2. Update on RFP for park master planning which will include development of project selection criteria
3. Open discussion on creating interim open space preservation selection criteria until criteria have been finalized by the consultant.
 - a. Importance of why the County needs interim criteria.
 - b. Could utilize State Open Space criteria in the interim and/or include new items.
 - c. If new criteria is needed it would need:
 - i. Weighted ranking system.
 - ii. List of factors to be included as outlined in the Land Preservation Task Force
 - iii. Any additional factors to be included.

This meeting will be hybrid format.

Meeting invites for board members will follow separately.
