8. Safety Rules

Safety is our number one priority at Carousel. All of our instructors are trained professionals, and their instructions must be followed. Do not be afraid to ask questions! If you are unsure of how to do something, please ask the instructor.

All volunteers, participants, families and guests are responsible following these rules at all times:

- No running in the barn area.
- No smoking or use of open flames.
- Never stand directly behind a horse. Horses at Carousel are well trained; however, it is possible that they may become frightened and strike out.
- No running or yelling around the horses or in the barn.
- Children must be supervised at all times.
- Alcohol or illegal drug use is strictly prohibited.
- No abusive, threatening, or violent behavior.
- Report all accidents, injuries, or hazardous conditions to Carousel staff as soon as possible.
- Use of proper riding equipment, including but not limited to helmets and boots with a heel, is mandatory at all times.
- No one may mount, dismount, or ride a horse unless supervised by a staff member.
- Do not feed any of our animals. If you wish to feed our horses a treat, the treat must be given to a staff member, who will then place the treat in a feeding basket for you to feed the horse. Several of our horses are on strict diets and cannot have certain foods. There is also the danger of being bitten should you try to feed an animal directly.
- Always lead a horse with a halter and a lead rope.
- Keep a safe distance between horses – a minimum of 2 horse lengths is required.
- Arena gates must be closed when horses are in the ring.
- In the event of a loose horse, fallen rider, or other emergency, do not panic. Rider safety is most important. Directions will be provided from an instructor.
- No cell phones

These rules are in place for everyone's safety. Everyone must follow these rules at all times while at Carousel. Violation of safety rules may result in the participant's dismissal from our riding program.
