(E) Public Safety	(937,695)

<b>TOTAL BOND AUTHORIZATIONS</b>	<b>(\$21,982,439)</b>

Section 2. The monies raised by the issuance of the bonds hereby authorized after the payment of the charges and expenses connected with the preparation, sale, and issuance thereof shall be held in separate accounts and shall be expended only for the purposes for which said bonds have been authorized, or for the payment of the principal of, and interest on, temporary loans made in anticipation of the sale of such bonds.

Section 3. The effect of the bonded indebtedness hereby authorized upon the total bonded indebtedness of New Castle County is as shown on the attached fiscal note, Exhibit "A".

Section 4. It is hereby determined and declared that the normal life of said improvements is not less than three (3) years (§ 1163 of Title 9 of the *Delaware Code*).

Section 5. In accordance with Treasury Reg. § 1.150-2, the County hereby states its intentions that a portion of the proceeds of the bonds authorized hereunder will be used to reimburse itself for expenditures paid prior to the date of issuance of the bonds. All capitalized terms used herein and not otherwise defined have the same meaning as ascribed to them in Treasury Reg. § 1.150-2.

All original expenditures to be reimbursed will be capital expenditures (as defined in Treasury Reg. Sec. 1.150-1(b)) and other amounts permitted to be reimbursed pursuant to Treasury Reg. Sec. 1.150-2(d)(3) and (f). The County intends to reimburse the original expenditures through the County's incurrence of debt to be evidenced by the bonds. The description of the type and use of the property for which the original expenditure to be fully or partially reimbursed is to be paid is: costs relating to the projects as defined in Section 3 hereof. The maximum principal amount of the bonds to be issued to reimburse the costs of said projects paid prior to their issuance and to complete said projects is a net (\$21,982,439) including the costs of issuance of the bonds.

Once the bonds are issued, the County shall allocate bond proceeds to reimburse a prior expenditure by making the allocation on its books and records maintained with respect to the bonds; provided that such costs to be reimbursed were paid not more than 60 days prior to the date hereof. Such allocations shall specifically identify the actual original expenditure to be reimbursed. Such allocations shall occur not later than 18 months after the later of (i) the date on which the original expenditure is paid, or (ii) the date the project is placed in service or abandoned, but in no event more than 3 years after the original expenditure is paid. If the bonds are issued before the expiration of the period prescribed in the preceding sentence, then the reimbursement allocation shall occur not later than the date of bonds are issued.

The bond proceeds used to reimburse the County for original expenditures will not be used within 1 year after the allocation in a manner that results in the creation of replacement proceeds (as defined in Treasury Reg. § 1.148-1) for the bonds authorized hereunder or for other bonds. The County will not use the proceeds of bonds to reimburse, refinance or refund an original expenditure paid by another obligation (either tax-exempt or taxable).

Section 6. Continuing Disclosure. The County covenants for the benefit of holders of any bonds that it issues in the public markets, whether pursuant to this Ordinance or otherwise, that, so long as any such bonds are outstanding, it will file, or cause to be filed, all financial information, operating data and notices of events, actions or failure to act, with such persons and entities and at such times as may be necessary to comply with the requirements of Rule 15c2-12(b) (5) of the Securities Exchange Act of 1934 with respect to such bonds. The Chief Financial Officer shall by Resolution adopted in connection with the issuance of such bonds specify the specific actions that the County shall be obligated to undertake to comply with this Section. Upon approval of the County Executive, the Chief Financial Officer is hereby authorized to take such other actions, by contract with a fiscal agent or otherwise, as such official shall deem appropriate to cause the County to comply with this Section.

Section 7. The effective date for the provisions in this Ordinance shall be July 1, 2021.

Section 8. This Ordinance shall become effective immediately upon its adoption by County Council and approval by the County Executive, or as otherwise provided by 9 Del. C. § 1156.
