

# NEW CASTLE COUNTY RECORDER OF DEEDS OFFICE

## ELECTRONIC FILING AGREEMENT

This Agreement (“Agreement”) is made by and between the New Castle County Recorder of Deeds Office (hereinafter “NCC ROD Office”) and \_\_\_\_\_ (hereinafter “Filer”), having its principal place of business at \_\_\_\_\_ (collectively, the “parties”).

The parties hereby enter into this Agreement, pursuant to Title 25 Chapter 1§180-184 of the Delaware Code, for the purpose of granting Filer the right to electronically file land records and instruments with the ROD Office, through the ROD Office eRecording System and to establish a method of payment for such filings. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

### 1. FILING/RECORDING DOCUMENTS

Filer may electronically file documents listed in Schedule B. NCC ROD Office agrees to record such documents using a third-party automated system that is an agent for the ROD Office. Documents electronically filed must have a 2 ½ inch top left margin on the first page of the document (see template). Documents electronically filed must comply with the “Standards for Recording Instruments” (as may be applicable) as set forth by Delaware Code Title 9 Chapter 96 §9601-9627; Schedule C attached hereto and incorporated herein. **\*Please note the maximum number of documents per batch is 20.**

### 2. AGREEMENT TO PAY

Filer agrees to pay recordation taxes and recording fees or ROD fees assessed by the Delaware Code. Filer agrees to pay such filing fees as may be established from time to time by the NCC ROD Office. Fees must be paid by Automated Clearing House (ACH) transactions or wire transfer on the same day that the documents are electronically filed. Filer agrees to execute an authorization agreement for electronic payments with a NCC ROD office approved third party vendor (See page four current approved vendors).

If payment is returned for any reason, Filer has three business days to provide replacement payment. If payment is not received, then no future documents submitted by Filer will be accepted by the eRecording System until the account has been paid in full, in addition to any penalties or interest assessed by NCC ROD Office resulting from failure to pay.

### 3. NOTARIZATION AND ACKNOWLEDGEMENT

Land Records documents in order to be recorded shall comply with the requirements for notarization pursuant to Title 29§4321-4329 of the Delaware Code (and any other statutory requirements subsequently applicable).

#### **4. NOTIFICATION OF SUBMISSION OF ELECTRONIC DOCUMENTS FOR RECORDATION**

NCC ROD will provide an electronic or other written notification of including the date and time of the receipt of the electronic document to the Filer that the electronic document has been received by the ROD, but not recorded.

#### **5. REJECTION OF DOCUMENTS**

Electronic documents submitted for recordation through the eRecording System will be rejected if they fail to meet the image or file format specifications or security requirements of the eRecording System, or for failure to comply with the requirements as otherwise provided in the Delaware Code. If an electronic document is rejected, an electronic or other written notification of rejection will be provided to the Filer.

#### **6. TIME OF RECORDATION OF ELECTRONIC DOCUMENTS**

Electronic documents received by the NCC ROD are deemed filed as of the time the NCC ROD provides an electronic or other written notification to the Filer that an electronic document has been recorded.

#### **7. INDEXING REQUIREMENTS**

The final indexing and verification of documents shall be performed by the County. Document types accepted by the New Castle County Recorder of Deeds for E-filing are listed in SCHEDULE C.

#### **8. CONTACTS FOR FILER**

Filer shall provide the NCC ROD Office with a completed Filer Contact Information form which is attached as Schedule A to this Agreement. It is Filer's responsibility to ensure that the information in Schedule A is current and accurate. It is the Filer's responsibility to provide the ROD Office with proper notice of any changes in the Filer's contact information. Any failure on the part of the Filer to properly notify the NCC ROD Office of changes in the Filer's contact information as manifested in Schedule A will result in immediate termination of the Agreement without the requirement prior notice from the NCC ROD Office.

#### **9. ENTIRE AGREEMENT**

This agreement contains the entire understanding of the parties, there being no promises, warranties, or undertakings, written or oral, other than those expressly set forth herein. Furthermore, no modifications, alterations or amendments to this agreement shall be valid unless in writing, and signed by all parties, except as otherwise provided herein.

#### **10. ATTACHMENTS**

The attachments referred to in the body of this Agreement are an integral part of this Agreement and reference to this Agreement shall be deemed to include all the attachments.

**11. SEVERABILITY**

If any provision (or part thereof) of this Agreement is found to be invalid, then it shall be stricken and have no effect. The remaining provisions shall continue in full force and effect.

**12. APPLICATION OF DELAWARE LAW**

The parties agree that, unless otherwise specified herein, the provisions of Delaware law shall apply including but not limited to the Delaware Uniform Electronic Transactions Act, the Delaware Uniform Real Property Recording Act.

**13. EFFECTIVE DATE**

This Agreement is effective upon execution of this Agreement by both parties, as evidenced by the later of the dates reflected below.

**14. TERMINATION**

Either party may terminate this Agreement without cause with 15 days written notice to the other party. Filer remains responsible for payment of fees for the filing and recordation of documents prior to the effective date of termination. The Agreement will be renewed automatically each year unless there is a consensual agreement to terminate or the NCC ROD Office initiates termination based upon the Filer’s failure to comply with section 8 and/or section 14 of this Agreement.

**15. NO WARRANTIES/RELEASE OF LIABILITY**

Absent gross negligence or willful misconduct, Filer agrees to release the NCC ROD from any liability in connection with the electronic filing and recordation of documents under this Agreement. Filer understands that there are no warranties, express or implied, in connection with the electronic filing and recordation of documents transactions.
